

Dear Ms Kathrin Oehme,

80 years since the time when Jõhvi has obtained the town status is celebrated in 2018. This year is particularly important for us as well due to the 100th anniversary of the Republic of Estonia.

Erwähnen
The history of Jõhvi dates back to 1241, where the first written mention of the same-named settlement origins. Thanks to its geographical position Jõhvi was an important trading, regional and entrepreneurial center of East Estonia for centuries. Being known as a settlement, village and church parish, Jõhvi was named as a town finally in 1938. In 2005 the town of Jõhvi was united with the rural municipality of Jõhvi. Nowadays Jõhvi is the one of four administrative centers of modern Estonia and the capital of Ida-Viru County.

The whole 2018 will be held within the framework of these significant anniversaries. The wide range of sports and cultural events will be presented to the attention of Jõhvi residents and visitors during the year. The anniversary events on May 10 and 11 will become the high point of celebration of town status.

On behalf of Jõhvi Municipality Government, we kindly invite the delegation of your municipality (for 3 persons) to participate on our anniversary events. We shall cover the accommodation, catering and museum tickets costs plus will organize the transportation inside Estonia (i.e to pick you up from airport).
